MEREDITH: In the s,
one of the more common reasons
women visited the doctor was "hysteria."

Granny, I don't know where
your nice shoes are,
but aren't you staying home?
Can't you just wear your slippers?
Well, what about next weekend?

KAI: I'm in Miami
for a National Conference
on Neuroscience.
Miami is a six-hour flight from Seattle.
I could get on the redeye Friday night.
We'd have all of Saturday,

and then I could fly back Sunday

in time to pick up Scout.

– Is that insane?

– A little.

I wish I could get on a plane

to Minnesota right now.

I'm not in Minnesota.

You're not? Where are you?

A now-defunct diagnosis...

♪ Walkin' on water

down the devil's road ♪

..."hysteria" was used to describe

a wide array of symptoms...

chest pain, anxiety...

I wish I could kiss you

right now, but I'm at work.

...a swollen abdomen...

– Hi.

– ...mood swings.

Hi.

They tried a variety

of treatments for hysteria,

ranging from rest

to psychosomatic therapy.

Please can I watch your bowel resection?

You stay home from school,
you keep up with your work.

That was our deal.

I will never need to know anything about
the French Revolution, ever.

If you only know about medicine,
what will you talk
to your patients about?

You talk to your patients
about European history?

But true relief for these women
didn't exist...

I have to catch up with Maggie and Nick.

Go to my office.

I'll see you soon, okay?

...until physicians tried using
what they called pelvic massage.

– Hey.

– Zola's skipping school again today.

Well, she had another panic attack,
so what was I supposed to do?

The cure was called
a "hysterical paroxysm"...

Wow. What are you doing here?

None of your business.

I'm a private citizen.

...which today has come

to be known as an orgasm.

Uh, yeah, I may have, uh, given

her and Dr. Wilson permission

to use the interns

for a special project.

You gave away our surgical

interns for the entire day?

Well, I mean, the project's

important, and...

do you really want to tell Bailey no?

Modern medicine continues to recognize

the stress-reducing benefits

of the female orgasm.

But doctors no longer perform the cure.

Sign these.

What are they?

Release forms.

– For what?

– Okay, new rule...

No questions before : a.m.

– Well, we just want to know what we...

– Save it for : .

I'll be in the pit

if you desperately need me

and there is absolutely no one else

in your general vicinity who can help.

– Okay, but where...

– People, it's very simple...

no questions.

You just didn't tell us

where we're going.

– You're with Dr. Bailey.

– Who's Dr. Bailey?

Wow, blasphemy.

I am Dr. Bailey.

[SIGHS]

What are you waiting for? Let's go.

I'm so sorry.

I—I thought I met all the attendings.

I'm Mika Yasuda.

No need to apologize. I don't work here.

Dr. Bailey was chief of surgery

until about six months ago.

I left to spend time with my family.

That's nice.

It was, and then the Supreme Court went
and stripped women
of our reproductive rights.

Dr. Wilson has been helping me
with a sex-ed curriculum
to teach teenagers about their bodies
because we now live in a country
where the only way to guarantee
you don't have to carry
an unwanted pregnancy
is to not get pregnant.

And statistically speaking,
teens need some big help with that.

So we are making sex-education videos
to put up on social media.

We want to go viral...
you know, like that cat
that plays the piano.

Oh, come on, people, get with it.

Dr. Bailey, we're surgical interns.

We have progress notes
and nurses paging us,
and we're behind on discharge summaries.

I don't even have time

to look at my phone.

I've got like unread texts.

Nurses love me.

You won't be bothered today.

And in exchange for your cooperation,

you get the benefit of working

with yet another world-class surgeon.

[INTERNS GASP]

BAILEY: Dr. Montgomery.

[SIGHS]

♪

Oh, don't look so miserable.

Now you have to keep

telling your grandmother

– over and over that her...

– Ooh, I... I can't do this.

I can't watch this. I, um...

I—I put every effort I could

into matching across the country

so I wouldn't have to watch this,

and that went to hell, and now I'm here.

I'm stuck in that house, and...

I love her. She's my grandmother.

She raised me.

She's why I made it this far.

It might be helpful if you don't

tell her that her daughter died.

I know it's not easy,

but living in her reality

is the most humane option.

I don't think I have it in me.

Nobody does. You'll find it.

♪

Is it okay if I stay out here

a little longer? I just...

Of course.

I really feel your pain, Griffith.

My door is always open.

♪

♪

What's going on? Is Zola okay?

Oh, yeah, she's okay.

She's in there with Amelia.

Okay. I thought she may have had

another panic attack.

No, no. But she did find
some of Kai's puzzles
that they use for
neurological evaluations.

The puzzles mainly focus
on visual-spatial skills.

Yeah, I'm familiar with them.

What... What's going on?

Meredith, she's aced every single one
at a level far higher
than most of the adults I see.

I'm aware that she's smart.

My question is, why is she being
evaluated without my consent?

Right, well, it...

Yeah, it was an accident.

Zola discovered the test when she and I
were in there practicing
on the simulators.

She's supposed to be
in my office doing homework.

Mer, based on Kai's time with her,
Zola is extremely gifted,

which could explain the panic att*cks.

When giftedness is undiagnosed,

it can contribute

to behavioral issues...

anxiety, a feeling of being untethered,

a feeling that you don't belong.

Because you don't. Her brain does

not function like other kids her age.

She needs challenges that they don't.

She needs to be around peers

who can relate to her

and the way she thinks.

I'm gonna go see my kid.

Penetration is not necessary

for mutual pleasure.

For starters, most women,

or people with vaginas,

can't achieve orgasm

through penetration.

– Yes?

– How come that's not in porn?

Because porn is to actual human sex

as the "Fast & Furious"

is to actual human driving.

That is to say, it bears no resemblance.

If you are having sex with your partner,
and you are trying
to make it look like porn,
your partner is experiencing
little to no pleasure.

I would disagree.

Well, you would disagree because
the girls you are with
are also making it look
and sound like porn.

But that is just an act.

A real man wants to give a woman
a real orgasm.

So you want to be a real man
or some candy-ass actor
for whom a woman has
to pretend to enjoy sex?
